LLIS.gov Resources for Training

A TOOL FOR ENHANCING NATIONAL PREPAREDNESS

Lessons Learned Information Sharing (LLIS.gov) is a US Department of Homeland Security/Federal Emergency Management Agency program. *LLIS.gov* serves as the national, online network of lessons learned, best practices, and innovative ideas for the emergency response and homeland security communities. This information and collaboration resource helps emergency response providers and homeland security officials prevent, protect against, respond to, and recover from terrorist attacks, natural disasters, and other emergencies. *LLIS.gov* provides Federal, State, and local responders with a wealth of information and front-line expertise on effective planning, training, and operational practices across homeland security functional areas.

LLIS.gov at a Glance

- Online since April 19, 2004
- Over 55,000 registered members
- Over 14,500 documents, including more than 1,800 state and local plans, 800 after-action reports, and 1,000 original content documents
- Secure message boards and collaboration tools
- Targeted information on current homeland security topics

TRAINING RESOURCES

The *LLIS.gov* Training page provides emergency planners with a single source for training information, such as guidance documents, lessons learned, best practices, and after-action reports. The page also includes links to related topics on *LLIS.gov* and the following additional information:

- Training doctrine from the Office of Grants and Training;
- Documents from the National Domestic Preparedness Consortium;
- Related training links; and
- Additional training resources.

TRAINING DOCUMENTS AVAILABLE ON LLIS.gov

The *LLIS.gov* Training page offers guidance documents, *LLIS.gov* original content, plans, templates, and other information relating to emergency training, including:

- Hazardous Materials Training for First Responders: Student Manual;
- Point Fire Case Study: Instructor Guide;
- Public Health: Training Public Information Officers on Medical Examiner Operations (Lesson Learned);
- Radiological Incident Response: Washington State Department of Health's Recommendations for Providing Radiation Training to Non-Emergency Personnel (Practice Note);
- Responding to an Aircraft Accident;
- Shelter Operations: Encouraging Volunteers to Complete American Red Cross Training (Lesson Learned); and
- Smokejumpers National User Guide.
